Home Destroyed By Fire

The home of Mr. and Mrs. Jessie Torrence of Route 2, Appomattox was destroyed by fire when lightening apparently struck the corner of the second floor near mid-night Sunday, September 24th. The fire smoldered for about an hour before either Mr. or Mrs. Torrence were aware of the fire and then had to go to a near-by home to use the telephone to call out the firemen.

Volunteers of the Appomattox Fire Department responded to the call at approximately 1:15. Four trucks and ten volunteers spent approximately seven hours at the scene of the fire and were able to save almost all the furnishings from the first floor. Everything was lost on the second floor. Ten tanks of water were used.

In 1932, Mr. and Mrs. Torrence lost their home on this same location by fire and rebuilt there in 1933. An estimate on the damage was not available.

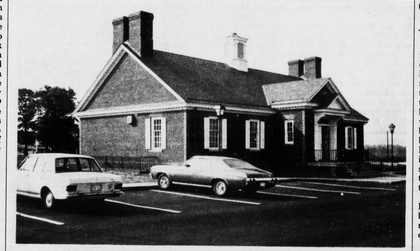
Mayors Proclaim October Rescue Squad Month For Appomattox County



Goal Set At $12,000

Mayor of the Town of Appomattox, Henry Pack, and Mayor of Pamplin City, Jim Williams, have both proclaimed the month of October as Appomattox County Rescue Squad month. In issuing the proclamation, both mayors stated that they were pleased to do this on behalf of the volunteer members of the Appomattox County Rescue Squad for the outstanding work they do and the service they render citizens throughout the town and county.

The 1973-74 Annual Fund Drive for the ACRS officially begins October 1st., with squad members ready to accept your contributions.

A goal of $12,000.00 has been set for the fund drive this year and the slogan "Hit The Jackpot And Everybody Wins" has been adopted by the rescue squad.

In a recent inspection and survey made by the Board of Directors of the Appomattox County Rescue Squad, they found it necessary to begin plans for a building expansion program and to replace all out-dated and worn equipment. They feel the communications equipment and the first aid equipment should be continually up-dated in order to render the best possible service to the citizens of Appomattox County.

Since YOU, the people of Appomattox County, have expressed your confidence in the Appomattox County Rescue Squad for the past eleven years, by your generous donations, squad members feel it is only fair to you that they maintain the latest and most efficient in equipment, training programs and communications.

All funds received this year exceeding the operating expenses needed will be placed in a "special fund" for expansion of the building facilities and future replacement of out-dated vehicles.

Due to the time involved in a door-to-door canvass of the entire county by members of

An official open house is being planned for late October but customers and friends are invited to stop by and see the new full-service branch bank facility.

Both the Farmers National Bank and the Triangle Plaza Branch will be open from 9 a.m. to 2 p.m. Monday through Thursday and on Friday will be open from 9 a.m. to 2 p.m. and from 3 p.m. to 6 p.m. for your convenience.

Historical Park Records Summer Visits

Statistics on the recent summer's visitation recorded at Appomattox Court House National Historical Park were released today by Acting Superintendent, Raymond Godsey.

According to Godsey, visitors to the McLean House number. ed 53,217 for the months of June, July, and August. This figure compared with the figure for the same period of time in 1972 shows a decrease of 4,687, or approximately eight per cent. However, Godsey noted that total visitation for the Park during the same time period was up 4½% to 117,494 from last year's total of 112,049.

A total of 559 tours given saw a total attendance of 15,649 people participate. This figure more than doubles the amount recorded on tours the previous summer.

Entrance fees, determined at the rate of one dollar per car, record the fact that 14,371 cars paid the admission cost this summer. This marked a decrease from the previous year's total which was 15,275. More visitors took advantage of the Golden Age and Golden Eagle passports this year than before which offset the aforenoted decrease in paid admissions.

The slight increase in visitation experienced by the Historical Park is consistent with statistics recorded by other attractions in the State.

Friday Last Day To Register For PP & K

Registrations for the 1973 Punt, Pass and Kick competition, co-sponsored locally by LAWSON FORD, INC. and the Appomattox Jaycees continue to roll in but come Friday, Sept. 28th, the registration will end. The contest is open to any youngsters 8 through 13 years of age so if your child has not registered yet and would like to compete on the local level, take him to Lawson Ford, Inc. by Friday.

Any youngster meeting the age requirements, who can pass, punt, or kick a football - or who'd like to try - will want to compete. Participants compete only against others their own age, and there is no body contact.

According to Lawson Ford, no special equipment is needed and participation does not impair a youngster's amateur standing. Each youngster will compete in three categories - punting, passing and kicking. Judges will score one point for each foot the ball travels on the fly, and minus one point for each foot the ball lands to the right or left of the center tape.

Youngsters, accompanied by a parent or guardian, may register for PP&K at Lawson Ford, Inc. on or before Friday. There is no entrance fee.
